AMENDMENT A

Sir:

In response to the non-final Examiner's Action mailed 11/13/2003, having a shortened statutory period for response set to expire 02/13/2003, please amend the above-identified patent application a first time as follows:

Amendments to the Claims are reflected in the listing of claims that begins on page 2 of this paper.

Amendments to the Drawings are attached following page 4 of this paper and include a Replacement Sheet, a Declaration of Facts, and Applicant's file copy of Figs. 1 and 2 as filed. No annotated sheet showing changes is attached because the attached Replacement Sheet replaces a sheet of drawings that was not filed by Applicant at the time the present patent application was filed.

Remarks begin on page 5 of this paper.
